Notes:

We appreciate your support by providing a helpful medical report to help the rehabilitation team working at the Disabled Children's Association. Please take a few minutes to fill in this form.

What is Disabled Children's Association?:

Disabled Children's Association (DCA) is a non-profitable organization that provides comprehensive rehabilitation programmes (medical and educational) to the needy children from birth to 12-year-old, free of charge. DCA has 11 branches, as of 2018, distributed in 10 cities around the Kingdom of Saudi Arabia. The programmes are run on daycare basis. No residential care is supported.

Criteria for accepting children:

1. He / she has a physical disability.
2. He / she is educable with an IQ > 50
3. He / she can see (blinds are not accepted).
4. He / she can hear (deaf are not accepted).
5. He / she under 12-year of age.
6. He / she is a Saudi national or Saudi mother.
